

Homework Expectations:

Practice is an essential part of math. Expect homework most days. Assignments are due the next day at the beginning of class.

Homework should only take about 20 minutes to complete. Homework is posted around the classroom and on my website. If you are absent, you are still responsible for the homework. For extended absences, please check my website for homework. 

Help Times:

- **Tuesday:** Hawktime, lunch, or after school
- **Wednesday:** Lunch
- **Thursday:** Lunch or after school
- **Other times:** By appointment

6th Grade Math

Teacher: Hayley George

Contact Info:

- 503-431-5131
